

Ritme 2

Snare

The image shows a snare drum rhythm pattern in 8/8 time, divided into four measures. Each measure contains a sequence of notes: a quarter note, a quarter note, a half note, a quarter note, a quarter note, a half note, and a quarter note. The notes are represented by solid black dots for quarter notes and open circles for half notes. The first measure starts with a quarter rest. The second measure starts with a quarter note. The third measure starts with a quarter note. The fourth measure starts with a quarter note and ends with a quarter note that has a dot above it, indicating a final or accented note. The notes are positioned on a horizontal line with a vertical bar on the left and right, and a horizontal line below. The time signature '8/8' is written above each measure.
